**MORE for LESS (or at least more for the same). That's right...
this year get more fun and entertainment for your dollar!**

This years Front porch Music has been extended an extra hour and features a Second Entertainer, still only \$10! This puts more \$\$\$\$ in your "FUN" column and allows you to enjoy more of Julie and Nanas' incredible pizza or dips, maybe even another beer or glass of Grove wine!

Henceforth known as "THE AFTERPARTY" in years past we have one band that does a two hour set and that was it this year after the first band is finished a second entertainer will play from 9-10p! Price is the SAME no extra \$\$\$\$ just VALUE-ADDED for our wonderful guests!
